

Renewable Energy & Hydrogen in Europe's Energy Transition to a Carbon Neutral Society

Capacity:
40

11th October, 2023 (Wed.) 15:30-17:40
Koriyama View Hotel Annex 3F Room Hayama

Fukushima prefecture invites 4 partner regions in the field of renewable energy from Europe and holds “International Economic Exchange Seminar” at REIF Fukushima 2023 to introduce energy transitions in Europe.

4 partner regions;

**North-Rhine-Westphalia(Germany) • Hamburg(Germany) •
Kingdom of Denmark • Basque Country (Spain)**

※ English and Japanese simultaneous interpretation provided

Program

15 : 30~15 : 35 Opening Remarks

**15 : 35~15 : 40 An Overview of the Renewable Energy and Hydrogen
Projects of Fukushima and introduction of international partners :
Energy Agency Fukushima**

15 : 40~17 : 20 Presentations

15:40-16:05 North-Rhine-Westphalia(Germany)

16:05-16:30 Hamburg(Germany)

16:30-16:55 Kingdom of Denmark

16:55-17:20 Basque Country (Spain)

17 : 20~17 : 35 Denso Co.

17 : 35~17 : 45 Question and Answer Session

17 : 45 Closing

Organizer

Fukushima Prefecture • Fukushima Center for Industrial Promotion

Speakers

※Speakers and titles are subjected to change

○North-Rhine-Westphalia(Germany)

NRW.Energy4Climate : Introduction Mr. Dario Omerovic

2G Energy : Hydrogen Engine/ Biomass Mr. Andre Banken

AHT Syngas Technology : Wood Biomass Power Generation Mr. Thomas Mueller

Enapter : Enapter's Electrolyser Mr. Jens Bischoff

EWG : Introduction of Essen Economic Development Agency Mr. Go Theisen

Öko-Zentrum NRW : Energy Conservation in buildings Mr. Sascha Kunstmann

○Hamburg(Germany)

Renewable Energy Hamburg: Introduction (Video Message) Mr. Jens Rispens

Suatec: Hydrogen Boilers • Biomass Mr. Marcel Kraatz

○Kingdom of Denmark

Royal Danish Embassy, Japan: Denmark's action toward Decarbonized Society

Ms. Izumi Tanaka, Senior Commercial Officer (Energy and Environment)

Danfoss: Mr. Jyunji Morishima

○Basque Country (Spain)

Basque Industry and Basque Hydrogen Corridor

Basque Trade & Investment, Basque Government: Ms. Maite Subinas

Basque Energy Cluster: Mr. Marcos Suárez
